The result electrified the high society of the mid 19th century, which was already fascinated by "spirit tapping" and other paranormalities, and earned Kardec-a pseudonym his spirits commanded him to use-a place in this history of the paranormal as the father of spiritism. Magic and Fantasy.

That was lovely. Kardec "interviews" the spirits, asking more than questions. While I normally enjoy Cooper's writing it didn't pull me in this time, there was too heavy a feel despite the light homeliness of the story. Classic novel of American religion, morality, and hypocrisy. The House of the Spirits. Do spirits need light to see? The closer to perfect, the more united they are.
