It feels amazing to get through the first draft of your book. Usually, I review four or five books a month. Put in the effort and put forth your best book.

Because when you write for a smart, interested 12 year old, it forces you to be clear. With all of the options out there to publish, it's pretty tempting to just point and click your way to a completed book. Because when you write for a smart, interested 12 year old, it forces you to be clear and direct—which in turn makes your book more appealing to older audiences.

If tapping two spaces following your sentences is an age-old habit ingrained in you, it is as good as a holiday, they say.
