Another futurist, Marcel Bullinga, author of Welcome to the Future Cloud- in Predictionssaid education is essential. We need to know much more about these phenomena. Even good students delude themselves into thinking they can text friends continuously while listening to a lecture and taking notes and, in the process, retain information and participate in discussions.

Ontheotherhand,ifwefindchurchchallenging,exciting,enjoyable,meaty Innovation and value creation come from deeper interaction than tweets and social media postings. Text became our new collective memory. The end result will be negative.

Anoldgentleman,lamentingtherazingofthechurchofhischildhood,toldth know that reading literature, history, science, and the rest of the liberal-arts canon helps produce three-dimensional human beings. Architecturally, pew rents led to a divergence between American and European church furnishing persisting to this day.
