Description: France and romance? La vie en rose?

This book is based on a ten-year study of how people have used and still use the... Who is pulling the strings and why? The other main issue was that this definitely could have used another edit. The truth is a hideous, terrible disease, one that slowly steals away the ability to speak and reason, turning people into nothing more than zombies.

Forgiving him seems impossible, but the thought of turning her back on him is... may not be able to write at pulp speed every day or even most days though I did hit pulp speeds the past few days. This is madness.
