They became squatters in an area that would eventually become the Oklahoma Panhandle. At the outbreak of the war the word became more commonly used.

The stretcher bearers were valiant men, but there were far too few of them. Color: Color. Nothing is to be heard near us, but there is a very ominous sign - no shots are being fired from the trenches. No Man's Land front of us, no flares are being sent up and there is no working party. I could see nothing except the wooden pickets supporting our protecting barbed-wire entanglements, and a dark patch or two of bushes.

Most commonly associated with the First World War the phrase "no man's land" arose from various skirmishes, two wounded soldiers, one Bosnian and one Serb, confront each other in a trench in the no man's land between their lines.
