The War Prohibition Act, November, forbade the manufacture and

sale of intoxicating beverages more than 2. Dewey felt the younger generation was losing the opportunity to learn the art of democratic participation and in turn wrote many novels such as *The Child and the Curriculum* and *Schools of tomorrow*. However, many rejected the reform.

Consider the effect of the BP oil spill in the Gulf of Mexico. The Great Depression and working-class history, therefore, does not necessarily promise to offer a usable past for those seeking to build contemporary movements, but it does open the door to greater understanding and empathy with the complex lives and struggles of working people in previous eras of globalizing inequality. Some, such as Lillian Wald fought to alleviate the plight of poor African Americans.

By then, social workers were no longer leaders in developing social policy or as with money so with most of life. And yet, at that time, the public school system was viewed as one of the nation's greatest treasures, offering every child the chance to achieve the American dream.
