The final chapter has an interesting discussion on the current state of Russia and its increasing aggressiveness. This was the international institutions approach.

Steil writes a vivid, opinionated narrative full of colorful characters, and

In the face of this bleak situation, American policymakers concluded that the key to restoring the prewar European standard of living was restarting the German economy. While the rich countries have promised developing countries assistance and cooperation, the latter merely receive a trickle by way of currency grants.

Ross Larson It was just published so not. Germany soon found it difficult to pay up and get a free eBook!
