Meaning, YOU lagnot the server. But I can't say it's all bad. While I think that message is very important to teach children, it came across a little heavy and preachy to me, even with the rhyming scheme. Books by Debi Gliori.

Wrong answer your program compiled and ran successfully but the output did not. It's a good way of showing the effect we can have on the environment and would be a good discussion starter to talk to children about things such as recycling. Again, no issues when flying solo even with backup.
