As a whole, this series comprises a genuine masterpiece of modern fantasy, bringing together the best the genre has to offer. I have stolen princesses back from sleeping barrow kings.

But then their son gets sick and the doctors put the question of his survival in Colin's hands. Colin wants one son forever, and Minny might be the challenge to keep him interested. I loved Gentleman and will read his next one, whenever that happens.

OK, close. Want to discuss real-world problems, be involved in the most engaging way possible. Was left breathless by the end.
