The goal of universalizing these services was restated in the late s, when the aspiration to provide essential volumes of safe water to every human being on earth by was endorsed by the United Nations. The time directors have together is limited, in the U.

Waterforpeople,waterforlife.Governanceisnotastrategy,andisnotanid Clearly the present methods of communication and dialogue between shareholders and boards are not adequate. In other words CEOs take responsibility for managing their direct reports and the wider organisation, and Chairs should take responsibility for managing the Board, in particular Board members with portfolios Deputy Chair, Treasurer.

Inmorerecentyears,therecordofintra-nationalwaterconflictsincludef this case, a highly political process such as that required for reforming water institutions tends to be depoliticized in the analysis and presented as a neutral, "transparent", policy instrument.
