His first generation of students included Alfred Kroeber Robert Lowie Edward Sapir and Ruth Benedict who each produced richly detailed studies of indigenous North American cultures. Los Angeles: Sage. In Berg, David ed. Although 19th-century ethnologists saw "diffusion" and "independent invention" as mutually exclusive and competing theories, most ethnographers quickly reached a consensus that both processes occur, and that both can plausibly account for cross-cultural similarities. Kinship Systems: Change and Reconstruction.
