In her new book, Roxanne illuminates the stunning and paradoxical mechanisms through which our personalities unconsciously take each of us in exactly the opposite direction of our deepest nature, and the profound journey back "home" for each of the nine dimensions of consciousness represented by Enneagram types. To be at home in yourself and at ease in the world are among life's greatest blessings. In the beauty of the high-desert landscape, they enjoy hiking in the mountains and soaking in a vast array of distinctive artistic, multicultural, and educational activities. This book represents the synthesis of twenty years of consulting.
