Introduction This resource guide was produced in accompaniment with the programme Four Conversations: Seeking Opportunities, Pushing Boundaries. Digitalisation has taken the job market by storm, with industries gearing up to innovate and meet the demands of an increasingly technology-driven world. Atpublicinstitutionscareerguidanceservicesareprovidedwithoutcostt The email field is required. The Unemployed The unemployed in Singapore received a much-needed boost when the public employment services were enhanced to allow more people to receive help through online and offline platforms. These groups of people exert significant influence on the career planning and development of individuals, especially in career choices of their clients, co-workers, students and children.

The Straits Times, Sept 20, Interested in this topic? Careers Connect: connecting career aspirations of individuals with the hiring needs of employers. It also serves as the basis for the development of a framework for career services in Singapore.
