Dec 31, Dana Stabenow rated it it was amazing Shelves: hpl-sin
Ellsberg understood that he could not challenge policies in public - it was the code of an insider. US citizens just flat stopped believing anything anyone in government said. Conversely, writing fiction has made me a better critic, in the sense of being
This book made me remember why I hate politics because reading about crooked dealings and outright lies to the public just makes me feel so powerless and angry. When American GIs landed on British shores they exuded generosity to their allies, giving away candy, nylons and cigarettes.
Starbrings hoop dream to inner city. He goes through how we went from vi I'mfa
combination of dreamlike sequences and emotional empathy placed within the strict documented storyline is some of his most beautiful work.
